Brother Kelly

As we have been studying the life of the prophets, this past year. It has been a real treat to be able to feel what they felt, to understand some of the problems that they had to go through so we could enjoy the blessings of the gospel that we have today.

I want each of you to know how much I have enjoyed my association with you this past year.

I want you to know that the gospel is the greatest thing in my life next to my family. The church is true and the gospel has been restored in these the latter days. We do have a living prophet that leads the church today.

You, the youth of the church have a great responsibility and you are the strength of the church and you are the leaders of tomorrow. Always stay close to the lord and he will bless you.

Brother Kelly
